WARM-UP

Let us take a look at a couple of double dummy problems from the Coffin collection that were very popular in the first half of the twentieth century. We are not going to show the solution this time, so you have to figure it out on your own.

No trumps, South on lead to make three tricks against best EW defence:

N North	W West	E East	S South
♠A ♥A ♦1043 ♣A	♠ ♥ ♦AQ765 ♣	♠A2 ♥K ♦J ♣K	♠KQJ ♥ ♦K2 ♣

Spades as trumps, South on lead to make four tricks against best EW defence:

N North	W West	E East	S South
♠A ♥873 ♦A ♣	♠8 ♥Q ♦Q98 ♣	♠6 ♥9 ♦K ♣KJ	♠ ♥A6 ♦ ♣Q43

FAIR VISUALISATION

Not only aggressive games and hair-raising preempts could have been seen during junior competition clashes in all age categories.

W	N	E	S
		Pas	1♠
2♥	4NT	Pas	5NT
Pas	6♣	Pas	Pas

This deal comes from the match between U21 team of Slovakia and Habra (Haviřov) U16 team in qualification round 6. It should be noted that average team member age of this Habra U16 team is around 12 years.

It required a fair share of visualization which showed Kája Rečičárová as North. When Blackwood enquiry was used and her partner Lukáš Vachtarčík as South cooperated with appropriate key card number, Kája's finest effort drove her partnership to lay-down slam on total of 27 hcp combined. There was no problem in the play and 11 IMP from this deal contributed to a Habra U16 confident win in the match by 24 IMPs and final score 17,31:2,69.

3NT VS. 4M

Players from POL U26 Try Hard Version were facing similar problems in different matches: choosing the right NT contract despite of the major fit.

2H bid shows 6+ spades up to the invitational hand. After 3S as invitation Wojciech Okuniewski thinks this way: they have almost guaranteed 6 spade tricks – as partner might very probably have the Q of spades – and the ace. With 8-9 points expected from partner, it is easier to take 2 more tricks in NT contract than 3 more tricks in 4S. Even 973 in hearts is promising – Michał Kaleta as East would play from his hand to cover his heart values. Wojciech proposed 3NT and Michał agreed. +10 IMPs for making, comparing to 2S+1 from another table. Other successful decisions made by Polish players:
